

DLS PLASTERWORKS

## TRADITIONAL CRAFTSMANSHIP

A family business specializing in the manufacture, supply and installation of the finest quality plaster mouldings.

All our plaster products are hand made in our workshop by skilled craftsmen combining traditional methods with the latest technology.

## SALES AND TECHNICAL SERVICES

Specialist manufacturing, site installations, design and technical advice can be discussed without obligation by phone, email or site visit with extensive portfolio of works

## SPECIALIST MOULDINGS

We can match and renovate any existing mouldings or produce new designs in fibrous plaster to the customer's specification.

Special commissions and general mould work by our modellers are also undertaken.

## RECONSTITUTED STONE WORK

Rendering to ashlar marking window architraves, cornices, pier caps and columns ect, we cover all aspects of exterior mouldings in either sand and cement or reconstituted stone.

## OTHER SERVICES

We provide a full interior and exterior plastering service from traditional lime and horse hair to the modern day plastering.

Full decorating service also available.

## DLS PROJECTS & COLLABORATIONS

Our work takes us from the humble terraced house to shopping malls and stately homes, no project is considered too small and all are undertaken with the same regard for quality and professionalism.
